Before we left in San Diego

We arrived 20 hours later!
Out Shopping, and we sign our “sign”

Getting food in the wonderful Victoria market
An Ecidna trying to eat in peace
Emily petting a Wallaby

Wine Tasting in the Yarra Valley

We are enjoying the late Fall afternoon in a vineyard
Visiting Sydney- a fun day!

LaTrobe University- Where Crystal and Emily did research for three months
Crystal exercising her talents in making TLC spotters

Emily using a very functional ice bath for her reaction
Using the microwave

Setting up a reaction
Crystal washing dishes and learning that some groups recycle their acetone

Using a heat gun on the bench
Using the rotavap, where excess trapped fumes are piped out the window!

Using stills.....
